One Collection uPVC Windows & Doors Manufactured by Everglade Windows

Flush | Chamfered | Ovolo | Patio

One Collection Flush

OC-Flush uPVC windows and doors have been designed to replicate the appearance of traditional timber. Flush windows and doors have sashes that close into the frame, creating a flush finish. This gives OC-Flush windows and doors a seamless appearance and the addition of 'dummy sashes' creates equal sightlines across the window design, for stunning aesthetics.

Features & Benefits

- Sleek slimline frames
- Dummy peg stay option
- Exquisite Georgian bar option
- Traditional hardware options
- High energy rating and weather performance
- Enhanced security PAS 24 certified
- Double or triple glazing available
- Low maintenance uPVC frames
- Available in a range of colours and woodgrain finishes

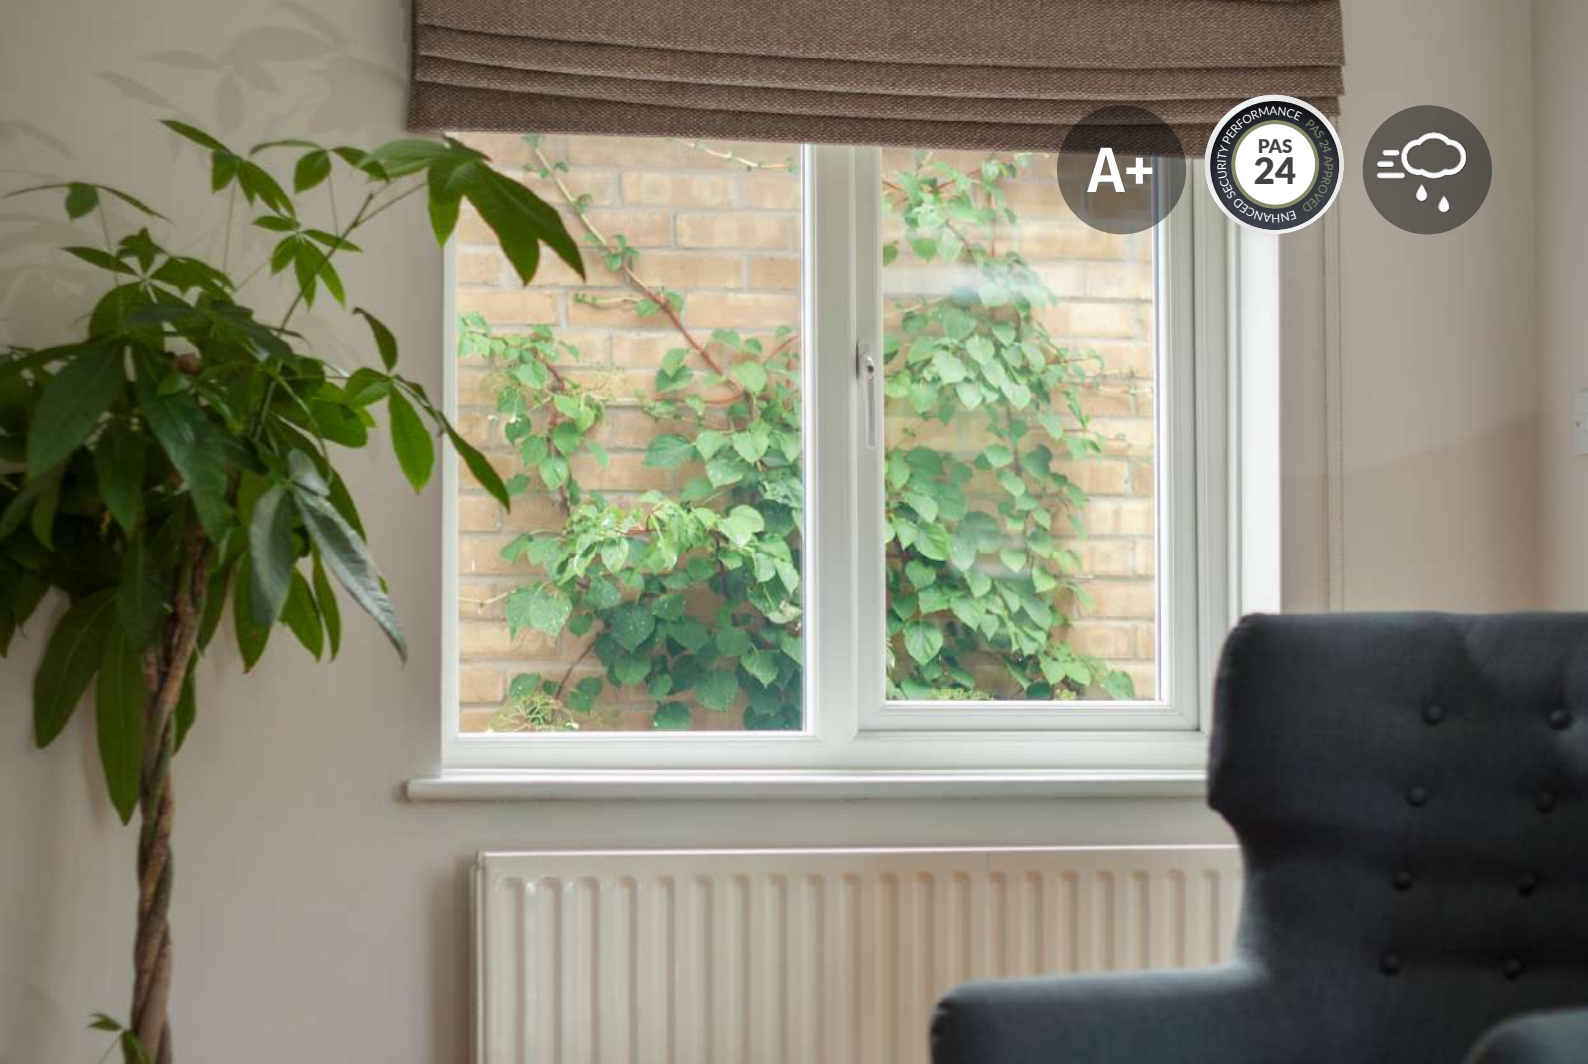

One Collection Flush Doors

OC-Flush includes the option of open-out flush single and French doors, to fully suite with the One Collection flush window range. Just like flush windows, the flush doors have sashes that close into the frame for a flush finish. The doors offer impressive security benefits with PAS 24 certification and great weather performance.

Features & Benefits

- Flush finish
- Enhanced security PAS 24 certified
- Suitable for single and double doors
- Low maintenance uPVC frames
- Dedicated hardware – including a security bolt for a discreet high-end finish

One Collection Ovolo

OC-Ovolo windows and doors feature sashes which stand proud from the face of the window frame and are the more typical style found in homes today. The curved window profile makes OC-Ovolo ideal for those who want to add character and enhance the appearance of their homes.

Features & Benefits

- Smooth contours
- Unique optional horn sash
- Exquisite Georgian bar option
- Traditional hardware options
- High energy rating and weather performance
- Enhanced security PAS 24 certified
- Double or triple glazing available
- Low maintenance uPVC frames
- Available in a range of colours and woodgrain finishes

One Collection Chamfered

OC-Chamfered uPVC windows and doors offer clean lines for a modern design. They have sashes which stand proud from the face of the window frame and the styling is sharp yet subtle. The chamfered edge integrates easily in all types of architecture and design with a range of colours and finishes that ensure you can find the perfect window for your home.

Features & Benefits

- Sleek and stylish frames
- Exquisite Georgian bar option
- Traditional hardware options
- High energy rating and weather performance
- Enhanced security PAS 24 certified
- Double or triple glazing available
- Low maintenance uPVC frames
- Available in a range of colours and woodgrain finishes

One Collection Patio

OC-Patio doors offer fantastic performance values as well as great design options. Available with 2, 3 or 4 door sashes, OC-Patio doors give you the opportunity to create a real feature of the view from your home. The doors have enhanced security too, keeping your home safe and secure.

Features & Benefits

- Enhanced security PAS 24 certified
- Outstanding weather performance
- Best energy rating – A+
- Low threshold for disabled access and easy mobility
- Low maintenance uPVC frames
- Fully suites with One Collection windows
- Document M and Q compliant
- No interlock plunge bolts

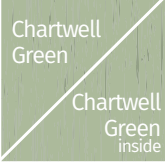

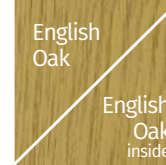

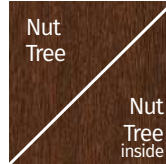

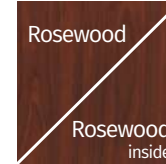

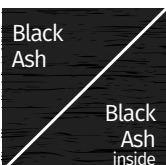

Colours

Leading colour range

Windows no longer have to be just white! Our colour palette has been carefully selected to offer the perfect choice for any home, old and new. Our colour foils have excellent durability and the low maintenance benefits of uPVC, so your windows and doors will look stunning for years to come. These 26 colourways are available from stock. A whole spectrum of colour foils are also available.*
